

# LOUISIANA SCICOMM SUMMIT

**WHO:** Open to all Louisiana graduate students in the natural, physical, and behavioral sciences.

**WHAT:** A free, two-day science communication event—created by graduate students, for graduate students—designed to enhance communication skills. The Summit will consist of a series of panels, engaging speakers, concurrent breakout sessions and working groups.

**WHERE:** This year's event will be held at the University of New Orleans.

**WHEN:** Thursday, November 14 and Friday, November 15.  
A mixer will occur on the evening of Wednesday, November 13.

**HOW:** Space is limited. Interested applicants need to complete and return the one-page application by [September 6, 2024](#).
